RESEARCH INTERESTS

Cosmic Strings, Gravitational waves, Cosmic Microwave Background, Inflation, Beyond the Standard Model Physics, Extra Dimensions

EDUCATION

University of Florida 2022 - Present

Ph.D. in Physics

Advisor: Dr. Wei Xue

University of Crete, Greece 2018 - 2022

BSc in Physics

APPOINTMENTS

Graduate Research/Teaching Assistant 2022 - Present

University of Florida

Department of Physics

Research Assistant 2021 - 2022

Institute of Astrophysics, FORTH

University of Crete, Greece

Research Assistant 2020 - 2022

Crete Center for Theoretical Physics

University of Crete, Greece

AWARDS

Constantine and Patricia Mavroyannis Scholarship	2025
Charles F. Hooper Jr. Memorial Award	2024
Gerondelis Foundation Graduate School Grand	2024
Graduate Student Teaching Award	2024
Elisavet Karamintzou Award : Awarded to the top three graduates in each department of the University of Crete based on their grade point average in their studies.	2022
Program of financial support for diligent students in vulnerable social groups (IKY-EKO)	2019-2022

PRESENTATIONS

Invited Talks

- *Observational Signatures of Cosmic Strings*, **HET Seminar, Department of Physics, University of Notre Dame**, September 2026
- *Observational Signatures of Cosmic Strings*, **HET Seminar, Department of Physics, Florida State University**, October 2026
- *Observational Signatures of Cosmic Strings*, **HET Seminar, Department of Physics, University of Minnesota**, November 2026

Conference Talks

- *Gravitational Waves from Long Strings and Loops*, **PHENO 2026, University of Pittsburgh**, May 2026
- *Axion strings from string axions*, **PHENO 2025, University of Pittsburgh**, May 2025

TECHNICAL SKILLS

Programming Languages	Python, C/C++
Software & Tools	Mathematica, LaTeX, Git, GitHub, hpg
Python Packages	Pandas, Matplotlib, Numpy, Scipy, Scikit-learn
Operating Systems	Linux, Windows, macOS

LANGUAGES

Greek (native), English (fluent), Spanish

TEACHING EXPERIENCE

Teaching Assistant, Physics II without Calculus	Spring 2026, Fall 2026
<i>Organized discussion sections and prepared quizzes for undergraduate students taking Physics II without calculus at the University of Florida.</i>	
Lecturer, Physics II without Calculus	Fall 2024, Summer 2025, Summer 2026
<i>Lectured Physics II to a class of 300 students, which included overseeing a team of Teaching Assistants and preparing exams.</i>	
Teaching Assistant, Physics I lab	2022-2023
<i>Introductory laboratory course for undergraduates taking Physics I at the University of Florida.</i>	

SCIENCE COMMUNICATION AND OUTREACH

Service

- Organizer and Writer, **Physics Graduate Community, University of Florida** 2023-Present

Talks

- *Topological Defects in Cosmology* November 2025
Graduate Student and Postdoc Seminar at UF Physics
- *Probing the Vacuum Metastability through Inflation* March 2024
Graduate Student and Postdoc Seminar at UF Physics

WORKSHOPS ATTENDED

- High Energy Theory in the Swamp, University of Florida 2025
- The Early Universe: A Window to New Physics, University of Florida 2023
